Washing Hands Effectively

1. Rinse your hands and rub your hands with soap for at the minimum 20 seconds.

2. In a public washroom, ensure that you use a paper towel to avoid any unnecessary contact with the door, dryer, ext.

[Back to Guides](#)

Social Distancing

Ensure you are constantly maintaining a 6 feet MINIMUM from others in public.

Wear a medical facemask and ensure it covers your nose as well, with no gaps.
